Atlanta, Georgia 30334

Dear Mr. Setser:

This will confirm the recent discussion between Mr. William Cline and E. C. Ashley regarding our plans to visit the Department's Atlanta offices on May 28 and 29, 1980. Mr. Ashley would like to discuss the present status and any changes in the DNR Environmental Radiation Program since May 1, 1979.

Some of the areas to be covered are listed below:

- Organization and personnel
- Membership and meetings of DNR's radiation advisory committee
- Funding
- Laboratory equipment
- Mobile laboratory van
- Memorandum of Understanding between DNR and DHR
- DNR regulations governing radioactive waste disposal
- Various program activities

Sincerely,

G. Wayne Kerr, Assistant Director
for State Agreements Program
Office of State Programs
