Dear Mr. Linehan:

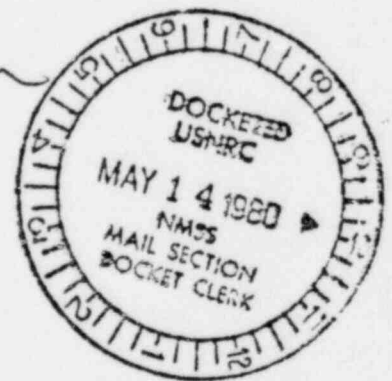

Your letter to me dated April 28th fills me with some alarm. You mention considering our request to raise our existing dam another five feet and you must receive \$20,800.00 to cover the license fee for this amendment request.

We mailed the \$20,800.00 on April 29, 1980. Our request, and the Dames and Moore study centered around the raising of the existing not-in-use lower tailings embankment by 25 feet plus an emergency raise of the currently used upper tailings pond by five to six feet.

Yours sincerely,

*M. D. Lawton*
