Re: License No. 12-03231-03

Dear Mr. Davis:

I have your letter of March 11th referring to discussions held in your office on January 23, 1980, regarding requirements for shipping machinery contaminated with byproduct material.

I appreciate very much your going to the trouble to get this information for us.

We will be guided by your letter and its enclosure.

Many thanks.

Sincerely,

JAK:de
