Mr. Charles E. MacDonald, Chief  
Transportation Certification Branch  
Division of Fuel Cycle and Material Safety, NMSS  
U.S. Nuclear Regulatory Commission  
Washington, D.C. 20555

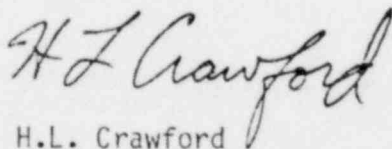

Dear Mr. MacDonald:

MODEL NO. MH-1A PACKAGING  
DOCKET NO. 71-6639

In answer to your letter of April 4, 1980, we anticipate sending you the answers to your questions within 120 days (September 1, 1980). This time is longer than we would like, but due to contractual arrangements with Sandia Laboratory, we believe this is realistic.

As soon as we obtain authorization from Sandia to proceed, we would like to set up a meeting with you and your staff to discuss your questions.

Sincerely,

H.L. Crawford
