Currently, the NRC staff is reviewing its rules and regulations with respect to licensee reporting requirements. This study may result in changes that will be presented to you at some future time.

If you have any questions, please bring them to my attention.

Sincerely,

James G. Keppeler
James G. Keppeler
Director

Dear James Keppeler. I am sorry I am a little late writing I have been sick. I took this letter to my doctor because I didn't understand it. He told me to write. And tell you that I have a pacemaker and I can't live without it and its not outside of my body. He said to write down what it says on my card that I carry.

I have an implanted Medtronic ^{T.M.} isotopic Cardiac pacemaker Laurens-Alcatel Model 9000 It contains 2.5 curies of plutonium 238.

Paced Rate 75 with magnet.

Type of leads Medtronic 6917 Myocardial

Pacemaker Serial 4R00801W

He said if there was any thing else to write him
