Charles E. MacDonald, Chief  
Transportation Branch  
Division of Fuel Cycle &  
Material Safety  
U. S. Nuclear Regulatory Commission  
Washington, D.C. 20555

Reference: Docket No. 71-6275

Dear Mr. MacDonald:

We have determined that the costs involved to refurbish the referenced package exceed what we could reasonably realize in income from its use. The cask was originally fabricated for a specific requirement and has little application at this time.

For these reasons we request that you terminate Certificate of Compliance No. 6275.

Sincerely,

CHEM-NUCLEAR SYSTEMS, INC.

J. Stewart Corbett  
Manager, Licensing & Safety
