

APR 4 1980

MEMORANDUM FOR: Samuel J. Chilk, Secretary

FROM: Joseph D. Lafleur, Jr.
Assistant Director for International Cooperation, OIP

SUBJECT: POSTPONEMENT OF BELGIAN VISIT (APRIL 9, 1980)

The Embassy of Belgium has postponed the NRC Commissioner appointments being scheduled for Minister of Public Health and Environment Luc Dhooze on Wednesday, April 9, 1980. A reorganization of the Belgian government will prevent Minister Dhooze from making his U.S. tour at this time, although he hopes to be able to reschedule his visit in the near future.

I will inform you as soon as I am advised of an alternate date for rescheduling this visit. By copy of this memorandum, EDO, OPE, OGC, ELD and the NRC/TMI Technical Support Staff are being advised of the postponement of the Minister's visit to NRC and the April 11 tour of TMI.
