Freedom of Information Act Request

Dear Mr. Donoghue:

This is a request pursuant to the Freedom of Information Act, as amended, 5 USC 552, and the Commission's regulations contained in 10 CFR Part 9.

A. The first request relates to the following companies:

1. Hittman Nuclear & Development Corporation  
9190 Red Branch  
Columbia, Maryland 21405
2. RAD Services, Inc.  
500 Penn Center  
Pittsburg, Pennsylvania 15235
3. Radiation Management Corp.  
3508 Market Street  
P.O. Box 7940  
Philadelphia, Pennsylvania 19101

Please provide copies of all records in the Commission's possession or control relative to these firms, including but not limited to, applications and licenses, including amendments and supplements thereto; correspondence, inspection reports, etc. I would note that a search of the NRC's Public Document Room in Washington D.C. failed to produce any information concerning these firms.

B. Please provide copies of that portion of the publication known as the "Weekly Information Report" which is subtitled "Office of Inspection & Enforcement, Items of Interest" for all editions of the Weekly Information Report issued to date in CY 1980.

C. With respect to those records described in paragraph B, above, please provide copies of all future such records until such time as I advise to the contrary.

All records subject to this request should be sent to my attention at the address indicated above. I expressly agree

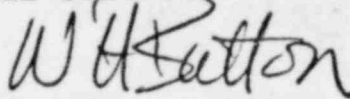

8006060 445

to reimburse NRC for its direct costs of duplication in responding to this request.

Please feel free to contact me should you have any questions regarding this request.

Sincerely,  
Radiological Control Consultants
