IN RESPONSE REFER
TO FOIA-80-267

Dear Mr. Balter:

This is in partial response to your letter of May 14, 1980, in which you requested, pursuant to the Freedom of Information Act, documents relating to the rule banning environmental impact report analysis of possible risks in the event of major accidents at nuclear reactors.

Please find enclosed documents, as listed on Appendix A, which are subject to your request. In addition, two documents which have been found to be subject to your request have been referred to another NRC office for review. As soon as that review is completed, we will advise you of our determination regarding the disclosure of the documents.

Sincerely,

A handwritten signature in cursive script, appearing to read "J. M. Felton".

J. M. Felton, Director
Division of Rules and Records
Office of Administration

Enclosures: As stated
