Re: Neutron Products' Certificate of Compliance Number 5364

Dear Mr. MacDonald:

Neutron Products, Inc. hereby submits a request for an amendment to Certificate of Compliance Number 5364 to allow the shipment of large quantities of cobalt-60 which meets the special form requirements of 10 CFR 71.4 and 40 CFR 173.398.

All cobalt-60 shipped in this cask shall meet the special form requirements of these sections either as solid form material or as encapsulated material.

All other terms, conditions, and provisions of the certificate remain unchanged.

Enclosed please find a check for \$150.00 as payment of the appropriate administrative fees.

Sincerely,

NEUTRON PRODUCTS, INC.
