

UNITED STATES  
NUCLEAR REGULATORY COMMISSION  
WASHINGTON, D.C. 20555

OFFICE OF THE  
SECRETARY

June 10, 1980

Docket No. 50-224  
(DD-80-15)(2.206)

W. Andrew Baldwin, Legal Director  
Ilene Martino, Legal Assistant  
Friends of the Earth  
124 Spear  
San Francisco, California 94105

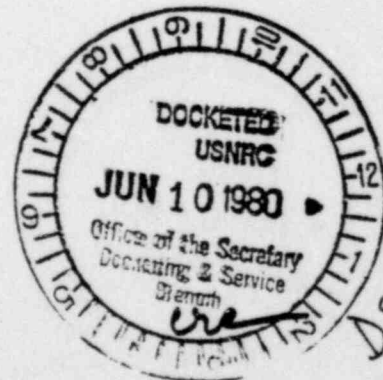

Dear Mr. Baldwin and Ms. Martino:

On May 23, 1980, the Commission extended the time for consideration of the Director of the Office of Nuclear Reactor Regulation's denial of your request to suspend all activities, revoke the operating license, order removal of all radioactive materials from the site and hold public hearings before any reactor operation is resumed for the TRIGA reactor. That time period has now elapsed without the Commission taking any action to review the decision in whole or in part. Therefore, the decision of the Director, pursuant to 10 CFR 2.206(c)(1), is the final agency action in this proceeding.

Sincerely,

  
Samuel J. Chilk  
Secretary of the Commission
