Dear Mrs. Sabelko:

As one of the parties to the 1975 pool expansion proceeding in the matter of the LaCrosse Boiling Water Reactor (LACBWR), you have been receiving copies of correspondence from the Nuclear Regulatory Commission (NRC) to Dairyland Power Cooperative (the licensee).

Documents filed by the licensee and correspondence from us regarding LACBWR will continue to be made available in NRC's Public Document Room at 1717 H Street, N. W., Washington, D. C. and in the local public document room located at the LaCrosse Public Library, 800 Main Street, LaCrosse, Wisconsin. In addition, NRC field office or headquarters will issue public announcements should any significant events occur with respect to LACBWR.

Let us know if you need to continue receiving correspondence from the NRC to the licensee, since we plan to delete your name from the service list.

Sincerely,

Dennis M. Crutfield, Chief  
Operating Reactors Branch #5
