Gentlemen:

We received your letter of May 16, 1980, which transmitted your physical protection plan for SNM of low strategic significance.

Your plan has been classified by the safeguards Licensing staff as requiring a major amendment to License SNM-1227. Therefore, a major safeguards amendment fee of \$6,900 is required, as specified in fee Category 1B of Section 170.31 of Part 170, copy enclosed. Payment should be made to the U.S. Nuclear Regulatory Commission and mailed to my attention.

Please note Footnotes 1(d) and 4 of Section 170.31, which provide that upon completion of the licensing review, the Commission will review its expenditures for professional manpower and appropriate support services; recompute the amendment fee, and, if necessary, refund any overcharges.

If you have any questions, please contact us.

Sincerely,

Original Signed By
