Mr. Marvin R. Peterson
U. S. Nuclear Regulatory Commission
Office of International Programs
Washington, D. C. 20555

Dear Mr. Peterson:

Subject: NRC Import License ISNM-01721

Due to rescheduling of core loading dates for the Ringhals IV nuclear generating plant in Sweden, it is requested that an amendment be issued for the subject license to extend the expiration from December 31, 1980 to December 31, 1981.

Please contact me should you have any questions relating to this request.

Very truly yours,

C. G. Dahlstrom
