Dear Mr. Moore:

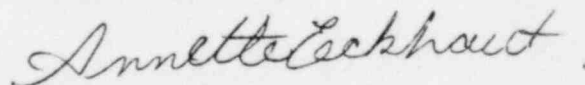

There is a possibility that we will be unable to complete our order for Union Electrica before July 31, 1980.

Our cable supplier, Teleflex, has only recently ended a labor strike. As a result of this strike, there is a 2-3 month delivery backlog at Teleflex. Without these drive cables, we can not proceed with our production, thus completion of all our orders for this product have been delayed.

Therefore, please accept this letter as our application for extension of license XSNM01597. We wish to extend the expiration date from July 31, 1980 to December 31, 1980.

Very truly yours,

REUTER-STOKES, INC.
