Dear Mr. Helfrich:

This letter is to inform you that license application XCOM0103 for the export of zircaloy tube shells to Argentina thru West Germany for use in the Atucha I power reactor has been withdrawn by Teledyne Wah Chang Albany. Mr. Fairgrievs of Teledyne advised us that the West German customer cancelled this order some time ago, because the material could be obtained from a European firm on a more timely basis.

Please mark your records to reflect this action.

Sincerely,

Marvin R. Peterson, Acting Assistant
