Dear Mr. Helfrich:

Enclosed please find a letter from Reuter-Stokes requesting an amendment to export license XSNM01597 to extend the expiration date to December 31, 1980.

Before taking action on this license amendment request, we would appreciate your views, in accordance with established procedures and from the overall perspective of the Executive Branch, as to whether the issuance of the requested amendment would be inimical to the interests of the United States, including the common defense and security, and whether the proposed export meets the applicable criteria in the Atomic Energy Act as amended by the Nuclear Nonproliferation Act of 1978.

Sincerely,

A handwritten signature in black ink, appearing to read "Marvin R. Peterson".
