Gentlemen:

We understand the amendment to paragraph 20.407, 10 CFR Part 20 requires the submission of a statistical summary report of the results of personnel monitoring.

We, however, have no report to file since although we obtained license number 06-17193-02 we never did purchase the nuclear device, and we have no immediate intention of doing so.

Should you require any additional information please feel free to call at any time.

Very truly yours,

THE UPJOHN COMPANY
