DOCKET NUMBER PR Chap. 1  
PROPOSED RULE (53 FR 49886)

'89 OCT 30 A10:03

OFFICE OF THE SECRETARY  
DOCKETING & SERVICE  
BRANCH

25 October 1989  
To Whom it may Concern:  
I urge you to use your authority to regulate all nuclear waste disposal. There is no nuclear waste that is "below regulatory concern." For the benefit of the entire nation (and the world), please do not allow any contaminants in our regular landfills or sewers. Thank you for your time.

Sincerely,  
Eleanor Sears
