Mr. R. Neal Moore
Office of International Programs
Assistant Director Imports/Exports
Maryland National Bank Building
U. S. Nuclear Regulatory Commission
Washington, D.C. 20555

Reference: Our Register No. Q-5527

Dear Mr. Moore:

The special nuclear material contained in the detectors described in the enclosed application is owned by Reuter-Stokes and was purchased from the United States Nuclear Regulatory Commission.

The required end-use statement is also enclosed.

We will appreciate anything you can do to expedite issuance of our license.

Very truly yours,

REUTER-STOKES, INC.
