Office of Classification and
Technology Policy
U.S. Department of Energy
Washington, D. C. 20585

Dear Mr. Rooney:

Enclosed is an application for an export license received recently by the NRC for the export of 384,992 kilograms of natural uranium contained in the form of yellowcake to Canada for conversion and subsequent return to the United States for enrichment. Please note the shipping date required is November 15, 1989. The licensee has requested that the 30-day waiting period be waived.

A letter of assurance is required that the material will be subject to all the terms and conditions of an agreement for cooperation. Your assistance in obtaining the necessary assurance letter will be appreciated.

Sincerely,

A handwritten signature in cursive script that reads "C. N. Smith".
