FAX (801) 686-2337

October 24, 1989

Mr. Marvin Peterson
Assistant Director for International Security
Office of Governmental and Public Affairs
U.S. Nuclear Regulatory Commission
Washington, D. C. 20555
Mail Station 3H5

Dear Mr Peterson:

I request the 90 day waiting period be waived due to a ~~technical~~
~~requirement~~ requirement of ~~November 1989~~. This material is scheduled
for enrichment by the U.S.D.O.E. after upgrade to Uranium
Hexafluoride by CAMECO.

Your expeditious handling of this application is greatly
appreciated. If you have any questions please call 801-686-2217.

Respectfully,

B.K. Reaveau
