Re: Nuclear Gauge License Renewal

Gentlemen:

In response to your letter dated June 1, 1989, regarding the expiration of our Nuclear Gauge License, as of September 30, 1989, enclosed is our Check No. 233583, in the amount of \$120.00, for renewal.

However, Form 313, which is to be returned to your office, was not submitted to us. I have contacted Mr. Ervin Watts about this matter, and he assured me that Form 313 was being mailed to our office. We will return this form to you upon our receipt of same.

If you have any questions or require additional information and/or documentation, please contact our office.

Sincerely,
