

NOTICE OF VIOLATION

Jay County Hospital
Portland, Indiana

Docket No. 030-18259
License No. 13-20329-01

As a result of the inspection conducted on September 20, 1989, and in accordance with the "General Statement of Policy and Procedure for NRC Enforcement Actions," 10 CFR Part 2, Appendix C, (1989) (Enforcement Policy) the following violations were identified:

1. License Condition No. 12 limits the use of licensed material to certain named physicians.

Contrary to this requirement, from approximately July 1989 to the date of this inspection, September 10, 1989, several physicians affiliated with a local radiology group and not specifically authorized by this license condition routinely used licensed material at your institution.

This is a Severity Level IV violation (Supplement VI).

2. License Condition No. 11 specifies a named physician as the Radiation Safety Officer for the activities authorized by this license.

Contrary to this requirement, the physician named as the Radiation Safety officer was replaced by another physician in July 1989 and you failed to amend your license to authorize these changes.

This is a Severity Level IV violation (Supplement VI).

Pursuant to the provisions of 10 CFR 2.201, you are required to submit to this office within thirty days of the date of this Notice a written statement or explanation in reply, including for each violation: (1) the corrective steps that have been taken and the results achieved; (2) the corrective steps that will be taken to avoid further violations; and (3) the date when full compliance will be achieved. Consideration may be given to extending your response time for good cause shown.

Dated

11/2/89

D. J. Sreniowski, Chief
Nuclear Materials Safety
Section 1
