Mr. Peter H. Smith
Advisory Council on Historic Preservation
Old Post Office Building
1100 Pennsylvania Avenue, NW - Room 809
Washington, DC 20004

Dear Mr. Smith:

Please find enclosed for your information a copy of a supplement to NUREG-0974, "Final Environmental Statement related to the operation of Limerick Generating Station, Units 1 and 2." Also enclosed is a copy of a related notice of availability which has been forwarded to the Office of the Federal Register for publication.

As part of its response to a February 28, 1989 decision by the U.S. Court of Appeals for the Third Circuit, the NRC prepared this supplement to the Final Environmental Statement to present its evaluation of the alternative of facility operation with the installation of further severe accident mitigation design features. This supplement was prepared pursuant to 10 CFR 51.92(b) of the Commission's regulations.

Sincerely,

/S/

Gene Y. Suh, Project Manager
Project Directorate I-2
Division of Reactor Projects I/II
Office of Nuclear Reactor Regulation
