The Honorable Richard G. Austin
Acting Administrator
General Services Administration
Washington, D.C. 20405

Dear Mr. Austin:

Thank you for your letter of August 29, 1989, inviting the Nuclear Regulatory Commission (NRC) to attend the sixth national "Partnership in Administration" Conference to be held on November 1-3, 1989, in Baltimore, Maryland. I regret that prior commitments preclude my attendance. However, I have asked two of our key officials to represent the NRC at the Conference: Patricia G. Norry, Director of Administration, and Michael L. Springer, Director of Consolidation. The "Partnership in Administration" series of conferences has been very valuable to the NRC in the past, and we look forward to participating again this year.

Sincerely,

Kenneth M. Carr
