Dear Mr. Chairman:

You are cordially invited to attend the General Services Administration (GSA) sixth national "Partnership in Administration" conference November 1-3, 1989 at the BWI Airport Marriott Hotel outside Baltimore, Maryland. The theme of this year's conference is "Partnership '89: Facing the Challenges of the 90's."

As in years past, this conference is planned as an opportunity for the client agencies to meet with representatives of GSA to discuss issues of common interest, exchange ideas and further develop lines of communication.

This year's conference, expanded by one day, will present an active agenda on topics of current interest. There will be an increased emphasis on participation and involvement from the other central management agencies, the Office of Management and Budget and Office of Personnel Management. Please mark your calendar now and plan to attend this event.

Your administrative manager will receive registration information from our Office of Client Relations, and be asked to nominate key officials to attend from your agency. Questions may be directed to Edwin T. Cox Jr., Associate Administrator for Operations and Industry Relations on 523-0188.

I look forward to seeing you at the conference.

Sincerely,

Richard G. Austin
Acting Administrator
