Fuel Cycle Safety Branch
Office of Nuclear Material Safety & Safeguards
Washington,, DC 20555

Dear Mr. Rouse:

Please be advised that Mr. Ronald H. Koga has been appointed Plant Manager for the Westinghouse Commercial Nuclear Fuel Division's Columbia, S.C. manufacturing plant, effective October 1, 1989. Mr. Koga replaces Mr. E .P. Loch who has been appointed General Manager, Manufacturing Operations for the Power Generation Business Unit.

Mr. Koga joined Westinghouse in 1970 as the Manager of Accounting at Westinghouse Hanford Company. Following a series of Controller Department assignments in Nuclear Energy Systems, including one as Financial Planning Manager for the Nuclear Fuel Division, Mr. Koga was appointed Controller of the Nuclear Fuel Division in 1979. In 1984, he was appointed Plant Manager of the Specialty Metals Plant located in Blairsville, PA. His most recent assignment was at Westinghouse Hanford Company where he was Manager, Resource Allocation and Management.

In his new position, Mr. Koga will report to Mr. M. D'Amore, General Manager, Commercial Nuclear Fuel Division.

Should you have any questions, please write to me at the above address, or telephone me at (803) 776-2610, Extension 3282.

Sincerely,

WESTINGHOUSE ELECTRIC CORPORATION
