Docket No. 40-3452 License No. SUA-917
Moab, Utah

Dear Mr. Hall:

In response to your letter of July 27, 1989 requesting analyses/calculations and supporting documentation used to predict that Atlas Minerals' (Atlas) corrective actions will lower radon emissions to prescribed limits, enclosed is the calculation brief forming the basis for the proposed remedial measures. This information is submitted on behalf of Atlas in support of a request for license modification. The license amendment fee, pursuant to 10 Code of Federal Regulations 170.31, is being forwarded to your office directly by Atlas under separate cover.

Please call if additional information is required.

Very truly yours,

Oliver P. Wesley
