Gentlemen:

Attn: Document Control Desk

Subject: "Reply to a Notice of Violation"

Pursuant to the provisions of 10CFR 2.201, TRI STATE ASSOCIATES, INC. is submitting the following response to the severity Level IV documented on August 31, 1989, by an NRC inspection.

## Violation

- |                                     |  |
|-------------------------------------|--|
| 1) Admission or Denial of violation | TRI STATE admits to the violation in part, in that previous exposure records were on file. The RSO had reviewed the previous exposure records, however the results were not tabulated on the NRC-4 form.   |
| 2) Reason for the violation         | Administrative oversight   |
| 3) Action taken and results         | The entire occupational exposure file was reviewed and results are being tabulated on the appropriate NRC-4 form for each affected employee. Where applicable, additional information will be requested from previous employers for clarification purposes only. |
| 4) Corrective action taken          | The President of TRI STATE ASSOCIATES has issued a policy statement to the effect that NO radiographer, assistant radiographer, or trainee will be hired until the NRC-4 form is completed.  |
