

MEMORANDUM FOR: James M. Taylor,
Acting Executive Director for Operations

FROM: Edward L. Jordan, Chairman
Committee to Review Generic Requirements

SUBJECT: MINUTES OF CRGR MEETING NUMBER 170

October 18, 1989

The Committee to Review Generic Requirements (CRGR) met on Wednesday, September 27, 1989 from 1:00-4:30 p.m. A list of attendees for this meeting is enclosed (Enclosure 1). The following items were addressed at the meeting:

1. The Committee reviewed a proposed NUREG documenting answers provided to licensees' questions regarding interpretation and implementation of Fitness-for-Duty rule requirements. The Committee recommended in favor of issuing the proposed NUREG subject to a number of recommended changes, and transmitting it to licensees by generic letter which states clearly that the NUREG contains no new fitness-for-duty requirements. This matter is discussed in Enclosure 2.
2. The Committee received a status briefing on the proposed Final Rule on Access Authorization. The Committee began but did not complete their review of this proposed rule at Meeting No. 169. The Committee made no new recommendations as a result of this briefing; CRGR review of this item will be resumed at a future meeting. This matter is discussed in Enclosure 3.

In accordance with the EDO's July 18, 1983 directive concerning "Feedback and Closure of CRGR Reviews," a written response is required from the cognizant office to report agreement or disagreement with the CRGR recommendations in these minutes. The response, which is required within five working days after receipt of these minutes, is to be forwarded to the CRGR Chairman and if there is disagreement with CRGR recommendations, to the EDO for decisionmaking.

Questions concerning these meeting minutes should be referred to Jim Conran (492-9855).
