Gentlemen:

This refers to the telephone contact conducted August 11, 1989 and letter dated September 22, 1989. The two radiation sources from the Hewlett-Packard gas chromatographs are being returned to Hewlett-Packard in Avondale, PA. The model numbers for these electron capture detectors are 18803-60520. The serial numbers are 0433 and C1601.

A letter to Hewlett-Packard concerning this return of equipment is enclosed for your information.

If you have any questions, please call at 312-470-2316.

Sincerely,

Carl R. Baeuerlin

Gentlemen:

Enclosed find two electron capture detectors from the following gas chromatographs.

| GC SERIAL NO. | MODEL | EC DETECTOR MODEL NO. | EC SERIAL NO. |
|---------------|-------|-----------------------|---------------|
| 1636A02190 | 5830A | 18803-60520 | 0433 |
| 214A09122 | 5840A | 18803-60520 | C1601 |

I had a telephone conversation with Tim Boaker on October 9, 1989 concerning the return of these detectors for disposal.

If there are any questions, please call at 312-470-2316.

Sincerely,

A handwritten signature in cursive script that reads "Carl R. Baeuerlin".
