Dear Dr. Bodian:

Subject: INQUIRY NO. 89-001

This letter refers to a telephone inquiry between Nancy Girdodi of your staff and Steven Courtemanche of this office on October 13, 1989. This inquiry concerned activities authorized by License No. 29-12147-01, as they relate to the pending expiration of your license on October 31, 1989.

From this discussion, we understand that you will be deciding whether you will be renewing or terminating your license. The renewal application or letter requesting the termination of your license will be sent to the Region I Office at 475 Allendale Road, King of Prussia, Pennsylvania 19406. A termination request must have a close-out survey of the facilities where radioactive materials were used prior to release of the facility for unrestricted use. Please send it so that it is received by the Region I Office prior to the expiration date on the license. If our understanding is incorrect, please inform us in writing.

In accordance with Section 2.790 of the NRC's "Rules of Practice", Part 2, Title 10, Code of Federal Regulations, a copy of this letter will be placed in the Public Document Room. Should you have any questions concerning this inquiry, we would be pleased to discuss them with you.

Your cooperation with us is appreciated.

Sincerely,
