Gentlemen:

Subject: Proceedings Recorded July 6, 1989

This letter is in response to your letter dated September 28, 1989, to the NRC Region I Administrator, William T. Russell, in which you requested a copy of the tape recording made during the enforcement conference held in the NRC Region I Office on July 6, 1989. The copy you requested is enclosed.

As suggested in our September 12, 1989 letter that transmitted the enforcement conference transcript to you, our purpose is to assure that the transcript is an accurate representation of what was actually said at the Enforcement Conference. Any editorial corrections that you identify in support of this effort will be appreciated.

Sincerely,

Malcolm R. Knapp, Director  
Division of Radiation Safety  
and Safeguards
