MEMORANDUM AND ORDER MODIFICATION
(Hearing Request)

On October 24, 1989, a Memorandum and Order was issued in the captioned proceeding. In it, it was stated that licensee, Northern States Power Company, had not filed an answer to Requestor's petition for a hearing.

Following the service of the Memorandum and Order, I learned that the licensee had timely submitted a response on October 6, 1989 to the Agency but no copy was served on me.

Because the Memorandum and Order of October 24, 1989 was prepared without consideration of the licensee's answer, Northern States Power Company is granted the right to request reconsideration of any of the findings and conclusions contained
