MEMORANDUM FOR: Robert F. Burnett, Director
 Division of Safeguards
 Office of Nuclear Material Safety and Safeguards

FROM: Raymond J. Brady, Director
 Division of Security
 Office of Administration

SUBJECT: SECURITY/CLASSIFICATION REQUIREMENTS (NRC FORM 187)
 FOR FIN A7153 (LOS ALAMOS NATIONAL LABORATORY)

The enclosed signed NRC Form 187 is returned for your inclusion into appropriate contract documents.

Upon U.S. Department of Energy, Albuquerque Operations Office, acceptance of an appropriately executed NRC Form 173 and our receipt of same, we will take action to obtain security approval of this interest. Until this approval is obtained, no classified information should be transmitted to the contractor. This also applies to the classification guide, "NRC Classification Guide for Information Dealing with the Release and Dispersion of Radioactive Material," which is classified Confidential Restricted Data.

Any questions regarding this matter should be directed to Mr. Lewis Robertson on x74507.
