Los Alamos, New Mexico 87545

Dear Mr. Zerwekh:

This refers to your letter (Q-6-85-702, R21W) dated September 12, 1985.

We have reviewed the assumptions which you are using in the nonpower reactor sabotage study and find them acceptable. Please note that any deviation from assumptions stated in your letter should also be referred to this office for review.

Sincerely,

*131*
