

NATIONAL SOCIETY OF PROFESSIONAL ENGINEERS

May 25, 1989

Honorable Lando W. Zech, Jr.
Chairman
Nuclear Regulatory Commission
1717 H Street, NW
Washington, D.C. 20555

Dear Mr. Chairman:

The National Society of Professional Engineers (NSPE) announces the eleventh annual Federal Engineer of the Year Award and cordially invites your participation this year.

The 1989 Federal Engineer of the Year Awards (FEYA) program was a big success! The winner, Dr. Ravi Jain, P.E. of the Army Corps of Engineers, reminded us that the effort of putting this program together is truly worth it—and is appreciated!

We have received many letters thanking us for sponsoring the event. However, Admiral Johnson of the Coast Guard summed up the importance of the evening best by saying, "It is the sole award program that publicly recognizes the top engineers in government and the federal engineers' contributions to society."

The award focuses on outstanding individual engineers while recognizing the accomplishments of all federal government engineers. Through this program, NSPE is pleased to offer you the opportunity to formally acknowledge the contributions of your top engineer. It also allows the agency the chance to compete with over forty agencies representing over 90,000 engineers in the federal workforce.

The 1990 FEYA banquet will be held on Wednesday, February 21, at the Stouffer Concourse Hotel in Crystal City. Award materials will be mailed at the end of June. Nominations are due at NSPE by November 1. Please advise us if the information listed on the attached sheet for your contact person is incorrect. A quick-response form for this purpose is included with this letter. Our staff coordinator will communicate directly with that individual on further details of the program and the awards ceremony.

We at NSPE look forward to working with you.

Sincerely,

A handwritten signature in dark ink, appearing to read "Donald G. Weinert". The signature is fluid and cursive, written over the typed name.

Donald G. Weinert, P.E.

POINT-OF-CONTACT INFORMATION
FOR
NSPE FEDERAL ENGINEER OF THE YEAR AWARD

Department/Agency: _____

POINT OF CONTACT

Name: _____

Title: _____

Mailing Address: _____

Telephone: _____

Please return this form as soon as possible to: Kelly Cunningham, NSPE, 1420 King Street, Alexandria, Virginia 22314-2715.

Note: The Point of Contact is generally an Incentive Awards Officer or Personnel Officer who will: supervise distribution of the nomination forms to all appropriate parties within the department/agency, announce the program through agency newsletters or meetings, monitor the judging process within the agency and insure prompt filing of the necessary forms and photos to NSPE. This individual will also be requested to distribute the banquet tickets to agency attendees and be responsible for returning ticket payments to NSPE.

A general press release on the program will be sent to the agency Public Information Officer if you desire. Please list the name and address of that individual below:

PUBLIC INFORMATION OFFICER
