Office of Classification and
Technology Policy
U.S. Department of Energy
Washington, D. C. 20585

Dear Mr. Rooney:

Enclosed is an application for an export license received recently by the NRC to cover empty cylinders containing heels which are being returned to France and West Germany for storage and cleaning purposes. Assurances are required that the material will be subject to all of the terms and conditions of an agreement for cooperation. Your assistance in obtaining the necessary assurances will be appreciated.

Sincerely,

C. N. Smith
