Gentlemen:

DOCKETS 50-266 AND 50-301
MONTHLY OPERATING REPORTS
POINT BEACH NUCLEAR PLANT, UNITS 1 AND 2

Attached are monthly operating reports for Units 1 and 2, Point Beach Nuclear Plant, for the calendar month of October 1989.

In addition to the monthly report for October 1989, we have enclosed a revised Operating Data Report for Point Beach, Unit 2 for the month of September 1989. This revised page corrects a 5 MWh error in the monthly, year-to-date, and cumulative figures for gross thermal energy generated, as found on Line 16 of this report. This correction is already reflected in the data reported for Point Beach, Unit 2 for October 1989.

Very truly yours,

C. W. Fay
Vice President
Nuclear Power
