Dear Mr. Hjelmfelt:

This letter is to acknowledge receipt of your request on behalf of the City of Cleveland, Ohio, dated January 4, 1978, that the Nuclear Regulatory Commission commence proceedings pursuant to 10 CFR s2.202 to enforce the antitrust license conditions regarding wheeling services attached to the operating license for Davis-Besse Nuclear Power Station Unit No. 1 and the construction permits for Perry Plant Units No. 1 and No. 2.

Your request is under active consideration, and you may be assured that within a reasonable time we will take appropriate action concerning them. A copy of the Notice that is being filed with the Office of the Federal Register for publication is enclosed for your information.

Sincerely,

POOR ORIGINAL

Edson G. Case, Acting Director
Office of Nuclear Reactor Regulation
