Dear Dr. Lieberman:

I am writing to thank you for permitting Dr. Paul Tompkins, Mrs. Edythelena Tompkins, and Dr. Bernd Kahn to participate as witnesses for the AEC's regulatory staff in the hearing before the AEC's atomic safety and licensing board considering the application for a construction permit for the Davis-Besse Nuclear Power Station by The Toledo Edison Company and The Cleveland Electric Illuminating Company that was held the week of February 8, 1971, in Port Clinton, Ohio.

The assistance provided by these witnesses was invaluable to the AEC regulatory staff in this proceeding.

Again, may I express my appreciation for your cooperation in this matter.

Sincerely,

(signed) Harold L. Price
