Washington, D. C. 20002

Gentlemen:

Twenty copies of the following document are enclosed for inclusion in the transcript of the hearing scheduled to be held December 8, 1970, in Port Clinton, Ohio on the application for construction permit for the Davis-Besse Nuclear Power Station:

Professional Qualifications - William E. Haddican

Ten additional copies of the above document will be furnished ACE-Federal at the Hearing.

Very truly yours,

Original Signed by  
Sybil M. Karl

*for* Helen Steele, Licensing Assistant  
Division of Reactor Licensing

Enclosures:  
As stated above
