Dear Sir:

In behalf of the Ohio Audubon Council, I wish to request permission for the Ohio Audubon Council to make limited appearance statements in the hearing on environmental aspects, construction stage, concerning the Davis-Besse Nuclear Power Station (AEC Docket No. 50-346).

Please inform me of the date and location both for the Prehearing Conference on the proposed Davis-Besse plant and also for the Hearing on this proposed plant.

The Ohio Audubon Council is composed of all of the Ohio Chapters of the National Audubon Society as well as almost all of the groups throughout Ohio which are officially affiliated with the National Audubon Society. As of October 1, 1972, its membership is approximately 10,000. We are in the midst of a state-wide membership campaign with a goal of doubling our membership.

CC: John Gallagher, President,

Very truly yours,
