Dear Mr. Huffman:

Your recent letter to the President has been referred to this office for consideration and reply.

I would like to take this opportunity to provide you a copy of a booklet which describes our safety review and reactor licensing program for protection of the public. Also included is a general policy statement explaining our procedure for implementing the National Environmental Policy Act of 1969.

Your letter has been made a part of the public record in the Davis-Besse case, and a copy has been filed in the AEC's Public Document Room in Washington, D.C.

Sincerely,
