In the Matter of The Toledo Edison Company and
The Cleveland Electric Illuminating Company
Davis-Besse Nuclear Power Station
Docket No. 50-346

Gentlemen:

Transmitted herewith are two documents which we presently plan to offer into evidence as a substantial portion of our direct case. The documents will be offered into evidence through the witnesses listed on attachment A hereto.

In addition we expect to offer testimony on the power needs to be served by the proposed facility and the availability of alternative sources, if any, to meet those needs on a timely basis through A. Toalston of the Federal Power Commission. The documentary evidence transmitted herewith may be supplemented by some limited, related oral direct testimony.

Sincerely,

Martin G. Malsch
Counsel for AEC Regulatory Staff
