Dear Mrs. Bleicher:

Transmitted herewith in accordance with our answer filed with the presiding atomic safety and licensing board today to your motion for production of documents are the following documents and information:

1. A Xerox copy of "Power Reactor Development Company, Enrico Fermi Atomic Power Plant, Report for July 1970". Pages 4-6 are relevant to your category number 8. Fermi reached full power on October 16, 1970.
2. Copies of "Permissible Dose from External Sources of Ionizing Radiation", NBS Handbook 59, and "Maximum Permissible Body Burdens and Maximum Permissible Concentrations of Radionuclides in Air and in Water for Occupational Exposure", NBS Handbook 69. These documents are relevant to your category number 14.
3. A list of Federal Register citations relevant to 10 CFR Part 20 and amendments thereto. This is relevant to your category number 16.
4. A list of Federal Register citations for 10 CFR Part 50, Appendix D and amendments thereto. This is relevant to your category number 17.

With regard to the two documents listed in number 2 above, NBS Handbooks 59 and 69, we request that they be returned to us no later than the final day of the hearings in this proceeding since they are working copies of members of the AEC regulatory staff and not extra copies. Copies of these two books may be obtained for \$1.00 each from:

We are making available the Federal Register citations to Commission rule making notices regarding 10 CFR Part 20 and 10 CFR Part 50, Appendix D, because the press of time did not make it possible for us to obtain or reproduce copies of these notices. We believe copies of these notices are readily available in Toledo.

Sincerely,

*Thomas F. Engelhardt*
