Dear Mrs. Cotner:

This letter will confirm my telephone conversation with Mrs. Olle on April 20, 1973 which concerned the use of the City Council Chamber.

The Atomic Energy Commission requests that the City Council Chamber be reserved on May 22, 1973 for use by the Atomic Safety and Licensing Board in the public prehearing of Toledo Edison Company's proposed Davis-Besse Nuclear Generating Station. The hearing is scheduled to begin at 9:30 a.m., and preliminary reports indicated that approximately fifty people will attend.

Thank you for your kind assistance in this matter. If any questions should arise, please call collect, area code 301-973-5886.

Sincerely,

J. K. Hetblair
