President Richard M. Nixon

Dear Mr. President,

Please be advised that my wife and I vigorously oppose the construction of the proposed Eavis - Besse Nuclear Plant near Toledo, Ohio.

All we have ever heard is ~~that~~ the average citizen should make his wishes known to his elected representatives. This we are doing now in the hope that you will act accordingly and swiftly.

Although we realize many of our friends will not take the time to write, we know that they are in complete agreement with us in this position.

Please listen to this plea from two dedicated Republicans that worked hard for your election. Please prove to us that our labors were not in vain.

Respectfully yours,

*Earl R. Mencil*
