Docket No. 50-313

Gentlemen:

This refers to the Corporate Management Meeting conducted by Mr. G. L. Nadsen and Mr. D. G. Anderson of this office, and Mr. A. R. Herdt of OIE:II, with you and members of your staff on October 10, 1975 of activities authorized by NRC Operating License No. DPR-51.

Areas discussed during this meeting are described in our report, which is enclosed with this letter.

In accordance with Section 2.72 of the NRC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations, a copy of this letter and the enclosed inspection report will be placed in the NRC's Public Document Room. If this report contains any information that you or your contractors believe to be proprietary, it is necessary that you make a written application within 20 days to this office to withhold such information from public disclosure. Any such application must include a full statement of the reasons it is claimed that the information identified is contained in a separate part of the document, since the application, excluding this separate part, will also be placed in the Public Document Room. If we do not hear from you in this regard within the specified period, the report will be placed in the Public Document Room.

Should you have any questions regarding this meeting, we will be pleased to discuss them with you.

Sincerely,

G. L. Madsen, Chief,
Reactor Construction and
Operations Branch
